

## Service Comparison

At the first glance Red Team, Purple Team, Assumed Breach and Social engineering assessment might look very similar.

But they are not.

## Which service is good for me?

The following table should hopefully highlight the main differences and help you in choosing the service you need.

Service	Red Team	Assumed Breach	Purple Team	Social Engineering
Identify whether your most critical asset is vulnerable to cyber attacks	✓	✓		
Assess your Blue Team to detect, respond and prevent cyber attacks	✓	✓	✓	
Uncover unconventional vulnerabilities that would not be typically identified with traditional penetration tests	✓	✓		
Test your members of staff against phishing attacks	✓			✓
Provide an evidence-based risk report to directors,	✓	✓		

senior-level management or stakeholders				
Test your physical security	✓			
Exploitation path scenarios for post-assessment analysis	✓			
Blue Team access to SIEM for or for post-assessment analysis	✓	✓	✓
